The IQAC of the college has devised several mechanisms to review the effectiveness of the teaching learning process, structures and methodologies of operations in the institution and strived hard for its reforms. Scheduling of courses in the time table is done by keeping in view various factors such as the nature of courses like compulsory/elective/applied /add-on/bridge/remedial etc. on one hand and schedules of cocurricular and extracurricular activities on the other. Being Teachers training college all faculty members are aware of various methods of teaching their pedagogical subjects to diversify the teaching methodologies used by the teachers in their day to day teaching practices. The most commonly used methods are projects, internship, field visit and ICT based teaching including LMS like Google Classroom. The College accords appropriate weightage for these contributions in their overall assessment.
